

Press Release

NEW EDITION (SPECIAL REPORT)

Tottel Publishing announces the release of the latest edition of:

e-Privacy and Online Data Protection

Written by Susan Singleton

With precedents by Eduardo Eustaran

The second edition of **E-Privacy and Online Data Protection** is an essential resource for all in-house counsel as well as those advising clients involved in all aspects of e-privacy and data protection.

Fully updated with all the latest developments, this Special Report provides essential coverage of this complex area of the law, including the new rules on unsolicited e-mails and recent data protection case law. In addition this book is accompanied by an extremely useful CD-ROM of precedents and an appendix of all relevant material.

This new 2nd edition covers:

- Privacy
- Distance selling
- Electronic privacy regulations
- Companies Act 2006
- E-surveillance at work
- Freedom of Information Act
- Location of server & data exports
- Outsourcing abroad
- Guidance on employee web logs and texting at work
- Information on disabilities in relation to websites
- Annual report of prosecutions
- US privacy law
