## **Pension Fund and Investment Law**

**Written by: Robin Ellison**

**Pension Fund Investment Law** is your comprehensive guide to the law relating to the investment of pension funds in the UK.

Pension funds are now facing investment challenges which are unique in their history. This essential new book sets out the legal issues affecting the decision-making of pension fund trustees and their advisers, from the legal restrictions and controls on diversification to the asset-liability conundrums, corporate governance and ethical environmental issues.

**Pension Fund Investment Law** contains detailed coverage of industry developments, new legislation and increasing case law, including:

- the duties of trustees
- the varieties of investments available
- the issues of risk-reward
- the considerable changes resulting in the introduction of the Pensions Protection fund
- the European Pensions Directive
- the Pensions Act 2004

Written in an accessible and practical manner, this is the only really comprehensive guide to the legal issues of pension fund investments. It is a must-have for all trustees, pension scheme managers, administrators, asset managers, solicitors, actuaries and investment consultants
