

Press Release

BRAND NEW TITLE

November 2007

Research and Development Tax Credits

Written by: Bruce Braithwaite and Greg Howe of Braithwaite Tax Recovery Consultants Limited

An innovative way of reducing corporation tax

Tottel Publishing announce the release of the brand new title **Research and Development Tax Credits**. Written by two leading experts, this key title will enable professionals to fully understand the various aspects of R&D tax relief and which areas of their organisation are eligible for tax credits.

This brand new book is a practical and comprehensive guide, providing examples, case studies, graphs and commentaries to ensure information is easily accessible. This is an invaluable guide for tax advisers and company directors, as well as companies from the software, automotive, aerospace and pharmaceutical sectors.

New Content includes:

- Costing, taxation and technical components coverage
- Demonstrates how to successfully identify and claim R&D tax relief
- The latest compliance requirements
- Coverage of the SME and Large Company Schemes
- Incentive rates and time limits to making a claim

Format: Paperback - ISBN: 978 1 84592 348 8 - Price: £65.00 - Pub date: September 2007 - Extent: 416 pp
