Tax Planning for Family and Owner-Managed Companies 2007/08

Written by: Peter Rayney, BDO Stoy Hayward

The complete annual guide to tax planning for family and owner-managed companies

Tottel Publishing announce the release of the latest annual edition of **Tax Planning for Family and Owner-Managed Companies 2007/08**.

Written by established author Peter Rayney, this guide is designed to provide tax professionals with money-saving information when advising clients of family or owner-managed companies. It examines a wide variety of tax planning matters from the viewpoint of the company, working and non-working shareholders and its employees.

Practical and user friendly, this invaluable guide provides worked examples throughout to illustrate complex points. Each chapter concludes with useful checklists of planning points referring to the tax position of different parties.

This new edition supplies all the latest information including:

- Extracting funds and remuneration strategies
- Benefits and expenses
- Succession planning and passing on the company
- Selling and winding up the company
- Reorganising shares and trading activities
- Dividend strategies, employee share schemes and pension scheme strategies
