Taxation in the Republic of Ireland 2008

General Editor: Amanda-Jayne Comyn

"As a source of reference for any practitioner who has clients connected with the Republic, this book is invaluable." Company Accountant

Tottel Publishing announce the release of **Taxation in the Republic of Ireland 2008**, the essential guide to taxation in Ireland.

Written by leading tax writers, **Taxation in the Republic of Ireland 2008** is an excellent introduction to the Irish tax system that will prove invaluable to taxation practitioners on both sides of the Irish Sea.

This new edition includes:

- A summary of the provisions of the Finance Act 2007 and Finance Act 2008
- A full chapter devoted to summarising some 238 Irish tax cases, providing the vital information required to concentrate valuable research time.
- Coverage of double taxation relief arrangements with the UK, to ensure that combined Irish and UK liabilities are minimised.
- References to the Revenue Tax Briefing commentaries on practical application of the tax rules.
- Comprehensive cross-referencing and a table of statutes for quick reference.

The book covers all the important legislative provisions relating to income tax and capital gains tax, corporation tax, capital acquisitions tax and value added tax, as well as a brief summary of the various social security contributions and levies. Summaries of all relevant tax cases are also included.

Format: Paperback ISBN: 978 1 84766 0596 Price: €135.00 Pub date: June 08 Extent: 768pp
