Children Law and Practice

Family Court Reports

Matrimonial Property and Finance

Family Law Service

Family Law Online offers family law professionals full access to the full suite of Bloomsbury Professional family law content. Covering core content areas such as children's law and practice, matrimonial property and finance, family proceedings, child care and adoption, children's evidence, court of protection, child migration, human trafficking, modern slavery, public children law, vulnerable witnesses, tax implications on family breakdown and financial abuse of the elderly this service is the quintessential companion for every family law practitioner.

Family Law Online provides users with depth and breadth of authoritative analysis while the simple and uncluttered interface and ultra-fast search engine mean you can start finding the answers you need from day one.

### **Key content coverage includes**

The market leading commentaries Children Law and Practice and Matrimonial Property and Finance as well as the Family Court Reports, Family Law Legislation and the monthly Bloomsbury Family Law Briefing by David Burrows.

## Children Law and Practice

"The practitioner's 'Bible' on all aspects of public and private child law" —*Sarah Forster, Garden Court Chambers*

In every area of legal practice there is a work which is so authoritative, comprehensive and practical that it not only explains the law but shapes it. In children law, that work is *Hershman & McFarlane: Children Law and Practice*.

Written by three of the country's leading children law practitioners, advised by a board of eminent children law experts, *Hershman & McFarlane: Children Law and Practice* is now firmly established as the leading reference on the subject.

The authors help the user to:

- Obtain an overview of children law
- Familiarise themselves with the broad concepts
- Inform themselves of case-law and legislation
- Study the detail of many aspects of children law

Used extensively by all sectors of the profession including solicitors, the judiciary, barristers and social services, *Hershman & McFarlane: Children Law and Practice* is relied upon daily. Here's why:

- It contains authoritative commentary, and detailed and practical advice
- It has an easy-to-use layout
- Flow-charts, checklists and procedural tables take you step-by-step through all the procedures relevant to your application
- It includes comprehensive legislation, including all the relevant statutes and statutory materials
- Updated three times a year it keeps pace with all of the latest changes in this important area of practice.
