We are delighted to announce the all-new **Bloomsbury Professional Online**, on a fully redesigned and optimised platform. Providing you with content covering Scottish legal information, commentary and analysis, as well as access to leading titles within our law and tax services wherever you are.

We've created a video showcasing our Bloomsbury Professional Online site.

This video will take you through how to log in, how to access content, search and the new developments that you can find on pages.

Should you need help with the platform, we have [New Platform Materials](#) available for you to use and share with anyone who uses Bloomsbury Professional Online.

► Bloomsbury Professional Law Online

Bloomsbury Professional Law Online provides access to legal commentary and analysis from our books, case law, looseleaves and journals across 26 practice areas, including Banking and Finance Law, Company and Commercial Law, Employment Law and Family Law as well as more specialist practice areas such as Clinical Negligence, Immigration and Nationality Law, Mediation, Partnerships and Sport Law.

► Banking and Finance Law

Banking and Finance Law provides you with authoritative content from leading practitioners on a whole range of topics including international money laundering regimes, the key features of major private fund domiciles, the laws and regulation of dealing in securities in Europe, the structure for effecting financial market transactions and aircraft financing.

The full list of content included in this service:

► Family Law

These titles are available to subscribe to online as individual products:

Children Law and Practice

In every area of legal practice there is a work which is so authoritative, comprehensive and practical that it not only explains the law but shapes it. In children law, this is it.

Court of Protection Law Reports

This series of reports covers every aspect of the law, practice and procedure governing the enlarged Court of Protection (CoP) jurisdiction, including all significant cases resulting from both health and welfare issues, and property matters and financial affairs.

Family Court Reports

The Family Court Reports [italics for title] have long been one of the most well-regarded set of family law case reports. The reporting criteria is such that the careful case selection provides only coverage of the most significant cases for family law professionals.

Matrimonial Property and Finance

The essential guide to financial remedies used in courts daily, Duckworth's Matrimonial Property and Finance [italics for title] is the most practical and comprehensive authority on matrimonial finance available. Written by a leading family law barrister, this definitive work offers detailed coverage of all the major issues in relation to financial remedies.

New content for 2025 includes:

- *Domestic Abuse and the Family Justice System: Law and Practice* – New Title

► Immigration and Nationality Law

With the UK Nationality and Borders Act and Illegal Migration Act now in force, and a new Government in place, immigration and nationality law remains at the forefront of the political agenda and could not be more topical. Our **Immigration and Nationality** Law service has content from unrivalled authors including Laurie Fransman KC, Adrian Berry, Kathryn Cronin, Gemma Dally, Colin Yeo, Bernard Ryan, Helena Wray, Mark Symes and Peter Jorro as well as the respected Journal of Immigration, Asylum & Nationality Law providing high quality original articles, expert commentary on case law, book reviews and news updates four times a year.

► National Infrastructure Planning Service

Providing expert analysis of topics that practitioners need to know about and the ability to search across both commentary and the relevant materials in one place saving the user valuable research time, National Infrastructure Planning Service offers a one stop shop for materials and expert legal commentary on nationally significant infrastructure projects.

Helping users navigate the Planning Act 2008 as it applies to major projects, the service provides commentary consisting of expert micro-articles written by Francis Taylor Building and case summaries. It also includes a series of "Best Practice" articles written by guest contributors. The materials, include Statutes, SI's, PINS notes, NPS, and Development Consent Orders.

With both the commentary and the materials being regularly updated **National Infrastructure Planning Service** really is the only online resource where practitioners can find all the information they need when working on complex, major infrastructure projects in one place.

► Parker's Will Precedents

Recommended by the Institute of Professional Will Writers, **Parker's Will Precedents** is a well-established and highly regarded publication, renowned for its clarity of drafting. The Comprehensive collection of precedents provides private client solicitors and professional will drafters with a thorough understanding and working knowledge of the will drafting process and, as a result, the ability to draft better wills.

It contains a comprehensive collection of precedents for use by anyone who needs to draft wills. There are a variety of precedents for individual clauses as well as a set of complete wills catering for different scenarios. The emphasis of the approach is on clarity, practicality and simplicity, so you can quickly draft legally sound wills for a variety of circumstances. Notes and guidance on drafting and additional materials, including letters, support materials and extracts from relevant legislation.

► Partnerships

Our **Partnerships** service provides you with commentary from leaders in the field, including 5 Stone Buildings and Serle Court Chambers.

This service provides content ranging from detailed high level content to the more practical day to day, covering both partnerships and limited liability partnerships.
