National Infrastructure Planning Service

Providing expert analysis of topics that practitioners need to know about and the ability to search across both commentary and the relevant materials in one place saving the user valuable research time, National Infrastructure Planning Service offers a one stop shop for materials and expert legal commentary on nationally significant infrastructure projects.

Helping users navigate the Planning Act 2008 as it applies to major projects, the service provides commentary consisting of expert micro-articles written by Francis Taylor Building and case summaries. It also includes a series of “Best Practice” articles written by guest contributors.

The materials, include Statutes, SI’s, PINS notes, NPS, and Development Consent Orders.

With both the commentary and the materials being regularly updated National Infrastructure Planning Service really is the only online resource where practitioners can find all the information they need when working on complex, major infrastructure projects in one place.

Parker’s Will Precedents (10th Ed)

Recommended by the Institute of Professional Willwriters, *Parker’s Will Precedents* is a well-established and highly regarded publication, renowned for its clarity of drafting. The Comprehensive collection of precedents provides private client solicitors and professional will drafters with a thorough understanding and working knowledge of the will drafting process and, as a result, the ability to draft better wills.

It contains a comprehensive collection of precedents for use by anyone who needs to draft wills. There are a variety of precedents for individual clauses as well as a set of complete wills catering for different scenarios. The emphasis of the approach is on clarity, practicality and simplicity, so you can quickly draft legally sound wills for a variety of circumstances. Notes and guidance on drafting and additional materials, including letters, support materials and extracts from relevant legislation.

Partnerships

Our Partnership service provides you with commentary from leaders in the field, including 5 Stone Buildings, and Serle Court Chambers, with updates coming from Dechert LLP. Our service provides content ranging from detailed high level content to the more practical day to day, covering both partnerships and limited liability partnerships.

- Accounts and Audit of Limited Liability Partnerships
